Technical Communications

WHAT PARTICIPANTS HAVE TO SAY ABOUT PROWRITE'S EFFICIENT WRITING COURSES

“This class should be mandatory for all new hires who are moving into roles that require written communication.”

“Information on organizing and editing was most valuable.”

“I had a rush presentation to prepare and your Efficient Writing techniques enabled me to prepare a much more complete presentation in the short time I had available.”

“I now understand that technical writing is completely different from the writing I was taught.”

“I found the techniques on international communication most valuable.”

“Examples were excellent!”

“The information on sending better e-mails really helped me.”

“All managers should take the e-mail class.”

“It was great stuff.”

“The edited homework that you passed back really pinpointed my weaknesses and gave me useful suggestions on how to do better.”

“I see now how bullet lists and number lists can make information clearer to the audience. Tables too.”

“Everyone in our company should take this course!”
